

**Preaching today is our Executive Pastor, Ashley Brown.** The Apostle John wrote his first letter as an elderly church leader seeking to encourage a people hard pressed by the challenges, trials, and doubts of this life. He wrote in order to shore up the confidence they had in the work the of Holy Spirit was accomplishing in and among them. John does this by tracing three themes: obedience, truth, and love. These three themes provide a foundation for the believer's confidence in God's activity in his life and for the hope that God will complete the work He has begun in the life of the believer. During the month of May we will be looking closely at these three confirmations of eternal life.
