EXTENDED MINISTRIES

One of our supported ministries focuses on reaching Tibetan Buddhists for Christ. As much of Tibetan Buddhism is practiced in countries that are openly hostile to the work of Christ, we need to exercise caution when discussing them. Let me say this: in part, through the support provided by Wasilla Bible Church, there are four college students and two other workers heading back to their home country to teach

Bible stories and Christ-centered songs to other college students. The prayer request associated with this mission are: " - safety from the authorities - finding houses that have heating systems (it will be cold from the middle of January to February) - the students to like hearing the Bible stories and songs and not report us to the police." Your prayers will be essential for the success of this short-term mission.
