## EXTENDED MINISTRIES

One of our Extended Ministries partners, HeartReach Center of Wasilla, has been praying for signage for their new building. They believe that if they could tell people who and what they are more people will be helped. At the October fund raiser, the request went out for funds. Those have been received. Praise God! Now HeartReach is praying that they will be able to get a sign installed before the snow flies and ground freezes. Please join them in prayer as they seek to complete this phase of establishing themselves in their new location.
