“Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us...”

Hebrews 12:1

## TODAY MAY 28

**SERMON: Staying Godward in Transition: The Same Biblical Heart.** This is a teachable moment in our congregational history. We are in the first year of a five year Senior Pastor transition. Our goal is to walk the process well - staying Godward all the way through from the first step to the last and beyond. This set of three sermons is meant to equip us in that direction. They apply beyond our congregational situation to any and every transition we may face. Today Pastor Ashley Brown will be taking us into Hebrews 12 for the final sermon in the series.

**Today's worship team:** Marie Aaberg, Brian and Kimberly Jensen, Pat Albert, Loren Kroon, Harry Davidson, Yvonne Veenstra, John Biornstad, Joel Stamoollis, Katie Straley, Mickey Varnado

**Today's Psalm:** Psalm 106

**Sunday School for infants through 4 year olds/Turtles is downstairs during both 1st and 2nd service.**

**9:30am**                      **1st Service**  
**11:15am**                    **2nd Service**

## EXTENDED MINISTRIES

**O**ur Extended Ministries partners, Josh and Jessi, are working as "well diggers" in a dry and thirsty land. Their ultimate goal is to offer the Living Water that comes through a relationship with Jesus Christ, but they cannot state that openly. (That is why you do not have their last name or location.) They have recently sent an update of their work. Here are some highlights: "We have spent the last two months in a classroom learning the local language...given our motivations for being here, this is an exceptional opportunity to connect with people, and we are seizing it. Our first water project will kick off its first phase on June 19. We will be entering a nearby valley [and] we will be putting in a water system to service around 2,500 individuals, two schools, and even a mosque!" They ask that we pray for their language studies, the water project, and most importantly for opportunities to share the gospel.
