EXTENDED MINISTRIES

Our local Extended Ministry partner, HeartReach Center of Wasilla, is doing well and continues to have exciting news. First, a praise! Since relocating to their new location, their walk-in client contacts have gone up considerably. With the large red letters on the blue wall of the building, it is difficult to miss the fact that they are there. They have a paving project scheduled soon, which will increase the professional feel of the facility. The sod

that has been laid down makes for a beautiful front yard, and many more improvement projects are being scheduled. Please pray for their ongoing outreach and especially their outreach at the AK State Fair booth in the coming weeks.
