EXTENDED MINISTRIES

OOur short-term Extended Ministries partner MtCAP (USA) is a cooperation of North American churches and missionaries who are reaching out to Asian Peoples who have immigrated to their community. We are intentionally being cryptic so those involved in MtCAP can freely travel to the originating country without compromising their identity. Recently Pastor

John attended a conference where we discussed opportunities for outreach across both the US and Canada. MtCAP's goal is to train and equip churches that have large communities of Buddhist in their area. As Buddhism, by design, permeates every aspect of a follower's life, it is a very difficult thing to leave it behind to follow Christ. Please pray for the efforts to reach those lost in the teachings of Buddha and for those who are seeking to point them to Christ.
