*WBC Women's Ministry
Small Groups, Events, and
More! Get Connected, Stay
Connected, Grow in Christ!*

WBC Women's Ministry partners with Girlfriends Unlimited!

Women today are looking for fresh and fun ways to connect with other women and with Jesus. We will continue to offer Bible studies and an occasional tea or retreat, but we also want something new and different.

*Something relevant and relational that
meets you where you are.*

WBC Girlfriends Unlimited is a new approach to women's ministry. It looks different, sounds different, and feels different. It casts a new vision for reaching and connecting women in the church, one that is filled with fun and energy.

*WBC Girlfriends wants you to grow
spiritually and emotionally and live
with purpose and significance.*

WBC Girlfriends centers on bringing women together in casual, fun settings so that they can meet new friends or are comfortable bringing old friends. There will be over-the-top themed events called *G! Events* where women might play games, experience pampering, find entertainment, or even join together in a service project!

To offer women the chance to develop friendships in a smaller setting, WBC Girlfriends has several active *G! Groups*. These are shared-interest groups that focus on activities like hiking, scrapbooking, movies, cooking, and so on.

G! Groups often commit to giving back to the community through service projects such support for HeartReach Pregnancy Center, making quilts for babies, or providing meals for someone in need. It's fun with a purpose!

If you are interested in hosting or joining a *G! Group*, come to the next event, or you can find more information at www.wosillobible.org under Women's Ministry.

*"Changing Hearts, Changing Lives,
One Girlfriend at a time!"*
